

THE FAMOUS WHITE CLIFFS OF DOVER

Itinerary:

After leaving the Port of Dover we will head east to start our tour in scenic St Margaret's Bay, providing us with a stunning perspective of the dramatic White Cliffs rising up high above our heads. After time for photos, we continue to the White Cliffs Experience where we will take a short stroll to a vantage spot offering a classic view of the famous cliffs together with Dover's mighty Norman Castle. Driving down a tunnel cut through the White Cliffs, we reach Samphire Hoe, Eurotunnel's nature reserve, which was created out of rubble during the construction of the Channel Tunnel. It is the only place in Kent where we can stand on reclaimed land and be wowed by the line of famous White Cliffs behind you.

Our final stop is at the Battle of Britain Memorial, where we learn about "The Few", who protected this coast and the rest of the country in the worrying times of 1940. The Memorial is located on the clifftop from where you can admire stunning views over the English Channel and, on a clear day, the French coastline.
